

I-215 WIDENING PROJECT 16th Street Bridge Closure Alert

Sunday, January 23, 2011 to December 2012

Bridge Closure

As part of the Interstate 215 Widening Project, the 16th Street bridge in San Bernardino will be closed from Sunday, January 23, 2011 to December 2012. The closure is necessary so that crews can demolish the existing bridge and build a new one that will accommodate the widening of I-215.

Detours

East/West Travel on 16th Street Bridge: Use Baseline Street to the south and Highland Avenue to the north.

NOTE: Pedestrian walkways are accessible on the Baseline Street and Highland Avenue bridges during construction.

If you have questions, please call the I-215 helpline at (877) 215-NEWS or visit our website at www.sanbag.ca.gov.

The I-215 widening project is a partnership among San Bernardino Associated Governments, the California Department of Transportation, the Federal Highway Administration and the City of San Bernardino.
