

I-215 WIDENING PROJECT

Northbound and Southbound I-215 Traffic Shift

Northbound I-215 Friday, August 23

Construction crews are scheduled to conduct a traffic shift on northbound I-215 lanes through San Bernardino Friday, August 23, marking the start of the final phase of work on the project.

Northbound I-215 Lanes To Close

When: Friday, August 23 - 8 p.m. to 8 a.m.

Where: Between 5th Street and Mt. Vernon Avenue
Northbound I-215: Exit 5th Street, turn left, turn right on Mt. Vernon Avenue and travel north to access northbound I-215

Northbound SR-259: Exit 5th Street and turn left, turn right on Mt. Vernon Avenue, turn right on Highland Avenue to access northbound SR-259

As part of the traffic shift, northbound I-215 lanes will be moved toward the west.

New Northbound SR-259 Connector Configuration

With the traffic shift, motorists will now be connecting to northbound SR-259 from the right side of the northbound I-215 lanes. Please be aware of this significant change. Permanent freeway signage will help direct motorists with the new configuration.

For the safety of all drivers and the construction crews, please remain alert to changing traffic conditions throughout the project area and travel at the posted speed limit of 55 mph.

For more information, please call the project helpline at (877) 215-NEWS/6397 or visit www.215news.com.

I-215 WIDENING PROJECT

Northbound and Southbound I-215 Traffic Shift

Southbound I-215 Wednesday, August 21

Construction crews are scheduled to conduct a traffic shift on southbound I-215 lanes through San Bernardino Wednesday, August 21, marking the start of the final phase of work on the project.

Southbound I-215 Lanes To Close

When: Wednesday, August 21 - 8 p.m. to 4 a.m.

Where: Between Mt. Vernon Avenue and 5th Street
To Southbound I-215: Exit Mt. Vernon Avenue, turn right, travel south and turn left on 5th Street to enter southbound I-215

Southbound SR-259: Exit Highland Avenue, turn left, turn right on H Street and travel south to 5th Street to enter southbound I-215

As part of the traffic shift, the southbound I-215 lanes will be moved toward the west.

New Southbound SR-259 Connector to Open

With the traffic shift, the new southbound SR-259 connector will open to motorists. The connector will have two lanes connecting to southbound I-215.

In late September, the southbound Baseline Street off-ramp will open and motorists will be able to exit on this ramp from the southbound SR-259 connector and southbound I-215.

For the safety of all drivers and the construction crews, please remain alert to changing traffic conditions throughout the project area and travel at the posted speed limit of 55 mph.

For more information, please call the project helpline at (877) 215-NEWS/6397 or visit www.215news.com.
