

**Local Stimulus Program - Project Application**

<b>1. Agency Name:</b> <i>Name of agency submitting this project application.</i>	<b>Date:</b> <i>Application Date</i>
--	---

<b>2. Contact Person:</b> <i>Person SANBAG should contact regarding this project application; include phone number.</i>
--

<b>3. Project Name:</b> <i>Name of the proposed project (e.g. 3<sup>rd</sup> Street Pavement Rehabilitation)</i>
---

<b>4. Project Description:</b>
--------------------------------

*Description of the type of work being performed and the location or limits of the project (e.g. Grinding and resurfacing of 3<sup>rd</sup> Street from Main St. to 100' east of Laurel Ave.)*

NOTE: Projects submitted must be one of the following:

- Major rehabilitation, resurfacing or reconstruction extending road life by 10 years.
- New construction to increase capacity, improve mobility or enhance safety.
- Improvements to bicycle or pedestrian safety or mobility with a useful life of at least 10 years.
- Environmental mitigation for air or water quality impacts identified in the environmental impact report for a transportation project.

If project is environmental mitigation, list the name of the transportation project and attach a copy of the sections of the EIR (Environmental Impact Report) document identifying the mitigation measure.

<b>5. Number of jobs expected to be created by project:</b>
<i>Either use the actual number of jobs created or use an estimate based on the following formula: 2.78 jobs for every \$100,000 spent on the project (source: U.S. Department of Transportation, Federal Highway Administration, Employment Impacts of Highway Infrastructure Investment, pp. 1)</i>

<b>6. Total estimated project cost:</b> \$
<i>Total cost of all phases of project</i>

Category	Cost of this Phase
<b>Environmental Studies &amp; Design</b>	\$ _____
<b>Plans, Specifications &amp; Estimates</b>	\$ _____
<b>Construction</b>	\$ _____
<b>Right of Way (ROW)</b>	\$ _____
<b>TOTAL</b>	\$ _____

<b>7. Total amount of Local Stimulus Program funds requested:</b> \$
<i>Amount from the agency's Local Stimulus allocation that is being requested for this project.</i>
NOTE: Local Stimulus Program funds used for Nexus Study Projects will bring down the total cost of the project.

## Local Stimulus Program - Project Application

8. **Total funding available for project from all sources:** \$

*List of all funding on the project to show that it is fully funded through construction*

9. **Project start date:**

*The date work is expected to begin on phases being funded by Local Stimulus Program.*

NOTE: Only project phases started after July 1, 2009 will be eligible for reimbursement.

10. **Project end date:**

*The estimated date that construction will be completed and the project accepted.*

NOTES: Projects must be completed within 36 months from the date that SANBAG issues the Local Stimulus Program Allocation Letter. When the project has been completed, provide a copy of the agency action accepting completion of the project.

11. **Estimated useful life of the project:**

*How long are the improvements expected to last before they have to be replaced.*

NOTE: Projects must have an estimated useful life of at least 10 years.
