

INTERSTATE 10 / PEPPER AVENUE INTERCHANGE PROJECT

TRAFFIC ADVISORY #4

Release Date: May 3, 2016

Project Information: www.sanbag.ca.gov/projects/interchange_pepper.html

San Bernardino Associated Governments in partnership with the City of Colton, County of San Bernardino and the Caltrans is constructing a new Interstate 10 Pepper Avenue Interchange that will feature a five-lane bridge and improved ramps. Once completed, the new wider bridge will provide better traffic circulation for area residents, businesses and visitors to and from the Arrowhead Regional Medical Center. Construction began in April 2016 and is expected to continue through summer 2017.

Please refer to the information below for construction activity details:

| DATE/TIME | LOCATION OF ACTIVITY | ACTIVITY/DETOUR |
|--------------------------------------|--|---|
| Thursday, May 5, 2016 9 am – 3 pm | Eastbound and westbound I-10 off-ramps and Pepper Avenue and Valley Boulevard Intersection | Traffic signals will be set to flashing red to allow crews to install temporary signal cameras. No detours will be required since lanes will remain open to motorists. |
| Tuesday, May 10, 2016 9 am – 3 pm | Eastbound and westbound I-10 off-ramps | Traffic signals at the Pepper Avenue and Valley Boulevard intersection and off-ramps will be set to flashing red to allow crews to work on temporary signal cameras. No detours will be required since lanes will remain open to motorists. |
| | South of the Pepper Avenue bridge to Valley Boulevard | Crews will restripe the roadway. A flagging operation will be in place to direct motorists through the area. No detours will be required. |

NOTE: Information contained in this notice is subject to change without notice, based on weather, field conditions or other operational factors.

Motorists are reminded to... **SLOW FOR THE CONE ZONE** and **MOVE OVER** a lane when it is safe to do so.
